SCITUATE TOWN LIBRARY
MASSACHUSETTS 01950

Dedication

In keeping with the Scituate tradition, we feel that the Senior Class of 1961 has again chosen someone especially worthy of this dedication. As in previous years, this is a man who has helped us with his instruction and guidance, and a person who has meant a great deal to all of us. It is with pride and affection that we dedicate the 1961 Chimes to Mr. Erroll K. Wilcox.

Our Principal

Graduates,

As members of the Class of 1961 you will have the distinction of being among the first to be graduated from the new Scituate High School. This is a memory to cherish throughout your life.

It is the wish of the faculty and students that your graduation be a signal for many other noteworthy "firsts" in valuable lives abundant with health and happiness.

I hope that in your time at Scituate High you have learned, in addition to formal academics, fundamental unchanging truths concerning respect for others, loyalty, service, and goodness which will help you live these valuable lives in a changing and perhaps chaotic world.

Best wishes to you, seniors.

Student Council

The Student Council played an active role in school affairs this year under the direction of Mrs. Croker, faculty advisor. Newly elected officers for this year were Jack Mullen, president; Helen Attaya, vice-president; Jane Burroughs, secretary; and Richard Struzzerio, treasurer.

The Council organized a very successful Blue and White Week and also constructed a pictorial hand-book for the new high school. It also sponsored a very enjoyable semi-formal dance when we entered the new school.

National Honor Society

For election to the National Honor Society, the qualifying mark for seniors is 88% and 92% for juniors. Three seniors who met the requirements for scholarship and citizenship were approved for membership by the faculty council and were inducted at the end of their junior year. Spencer Taylor was elected president with Mrs. Beatrice Coleman as advisor. At the second election in March the qualified seniors were admitted to membership.

Key Club

This year the members of the Key Club elected John Kane as president; Tom Edwards as vice-president; Harvey Gates as secretary; and Jim Harper as treasurer. Mr. Gibbons was the advisor for the third year.

In order to raise money for the purchase of senior jacket awards, the Key Club sponsored two record hops, ran a car wash, and sold refreshments at the football games. The Club was aided in paying for the jackets by the Booster's Club and the Student Council.

The efforts of this fine club have succeeded in justly rewarding the hard-working students who have made us proud of athletics at Scituate High.

The club also sponsored record hops, food sales, and under the direction of Jane Burroughs and her committee, contributed and maintained the school bulletin board.

The officers for 1960-61 were: Pat Flanagan, president; Janet Finnie, vice-president; Eleanor Buckley, secretary; Kay Sweeney, treasurer; Eileen Tilden, historian; and Marsha Ford, librarian. The club wishes to express its sincere thanks to Mrs. Hamilton, our advisor.

Band

The Scituate High School Band, although small, has enjoyed another successful year under the able direction of Mr. Robert Morrill. The Band added greatly to the spirit at all the football games last fall.

This year members of the band represented Scituate High School in the Southeastern District Festival, All-New England, and the Greater Boston Youth Symphony Orchestra. The entire band participated in the Southeastern Massachusetts Band Festival.

Scituate was host this year to the Southeastern Massachusetts School Bandmasters' Association, better known as SEMSBA, in which several of the Band members participated.

The Band wishes to pay tribute to those members of the Class of 1960 who will pass from its midst to the strains of "Pomp and Circumstance."

SCITUATE--YOUTH SPEAKS ITS MIND

Uneasy Times Make Students Th

(This is the seventh in a series of talks with high school students about their opinions on matters of interest to them and everyone.)

By ARLINE GRIMES

If the responses of students at Scituate High School are an indication of youth's state of mind, the threat of nuclear war has increased serious-mindedness and reliance on religion.

Instead of creating a sense of purposelessness, nihilism, or agnosticism, it seems to have enforced a faith that there must be a purpose, could they but find it.

The nine students interviewed at Scituate High had the most realistic image of what nuclear war entailed of any school group thus far questioned.

Sensitivity to the tensions of the age were expressed in their replies to the question, "Do you think this age is more insecure than that in which your parents grew up?"

—Answered Michael Ross, 17.

1960 South Eastern Conference Champions

This year Scituate High produced one of the greatest teams in the history of football at our school. In our second year in the Southeastern Conference we went undefeated in league competition. The only loss was suffered to Northeastern, so we finished with a superb record of eight wins and one loss.

Mike Ross and Tony Amato were elected co-captains at the beginning of the season. Mike Ross, Tony Amato, John Kane, and Ralph Struzziario were chosen for the "Quincy Patriot Ledger" All-Scholastic team.

Jack Connolly, one of our outstanding linemen, was picked for the Class C All-Star Team, by the "Boston

Globe." Mike Ross, Ralph Struzziario, and Mike Stewart were the leading scorers of this year's team. Scituate was able to boast one of the best defensive teams in the state. Only sixty-eight points were scored against Scituate's solid "Wall."

A great deal of credit is due to our fine coaches and to the boys themselves. Those long hours on the practice field were justly rewarded.

Cross-Country

Mr. Webster defines cross-country as a sport which is run across fields and winding paths. Cross-country first originated at the time of the Greek Olympics, when a runner ran many miles with a torch in his hand to the stadium at Athens, where the main torch was mounted and left burning during all of the contests. This is a sport where the accomplishment and glory is based in the mind of the runner when he reaches the end of his journey. The runner lets nothing stand in the way of his reaching his goal. Carrying out this glorious tradition, our team has done a terrific job this year under the able coaching of Mr. Cook. The team's record was 4-2, and both losses, to

Pat

Norwell and Holbrook, were only by one point. There were two really outstanding boys this year who went all the way to the state meets. Pat O'Donnell won all of the dual meets, establishing new records at East Bridgewater, Holbrook, and the home course in Scituate. Allen Silver won the Braintree Meet, (Pat came in second), the Principal's Meet, and the Class "D" State Championship.

Mrs. Baure

Returning this year to lead the field hockey team on to victory were the two co-captains, Eleanor Buckley and Linda Timpany. They experienced another splendid season with no losses and only three ties.

After starting the season off slowly they gained composure and soon were in the trend for victory. They improved more during each practice and game, especially the offense.

Congratulations to Mrs. Baure on another fine season.

This year the Sailors could boast one of the finest teams to represent our high school in years. Under the coaching of Larry Keenan we qualified for the Tech Tourney for the first time in five seasons, and there defeated Barnstable in a thrilling game before being downed by West Bridgewater. In addition we placed second in the South Shore League and were semi-finalists in the South Shore Tourney. The regular season was completed with a record of fourteen wins and four losses. Prospects for the future are bright. Though the team will actually feel the loss of Captain Chetty Stone and the other departing seniors, center Tommy Bauer, Ralph Struzzerio, Mike Stewart, and Tom Stone remain as the backbone of next year's team. Promising freshmen and sophomores are also on their way up.

Wrestling

Wrestling, as a major S.H.S. sport, is becoming increasingly popular each year. This was a highly successful season. As captain and leading scorer, Charlie Allen won all of his matches except one, which was a draw, and compiled a total of forty-nine individual points, while allowing only six to be scored against him. He captured thirty-nine team points out of a possible fifty, with five pins, four decisions, and one draw. Jimmie Harper was first in his weight class and his record of seven wins and two losses proved his value to the team. David Galbreath's only loss of the year left him injured and unable to compete in the last three matches. But as the winner in the first six, Dave was reliable source of team points. One of the bright spots of the team is Danny Jenkins. With two years of varsity wrestling behind him and two years still to go, he could well become one of Scituate's foremost wrestlers. His record for this season was ten wins and three losses. The coach, Mr. Leo King, succeeded in skillfully developing the natural talents of these boys and the others into a winning team.

Ice Hockey

In this, its fourth year, our ice hockey team became recognized as a strong opponent. The most thrilling win, over fast-skating Catholic Memorial, proved that our team was not to be taken lightly. Under the coaching of Mr. Finnegan and the leadership of Captain Walter Stone and Assistant-Captain Jon Gunn, the hockey players displayed themselves as a very spirited and aggressive team. The goal tending of junior Dick Clifford was outstanding. Two players were chosen for the all-star team: center Walter Stone and defenseman Jon Gunn. The underclassmen have shown themselves to be a promising team for the future.

Returning this year with a fine squad was the girls' basketball team. Though they started the season with a slow pace, their efficiency picked up and they finished with a brilliant record. Under the coaching of Mrs. Bauer and the leadership of Captain Eleanor Buckley, they did a fine job and earned the title of Tri-Champs along with Marshfield and Duxbury. Though the team will feel the loss of the departing seniors, next year promises to be as successful as this one and live up to Scituate's shining tradition.

COACH JOHNSON

The Scituate High baseball team was very successful last season, suffering only one loss. The schedule was well arranged so that all our games were with leading South Shore teams. Many of last year's stars are returning so this coming season promises to be a good one also.

Among them are: Chester Stone, Walter Stone, John Kane, Tommy Edwards, Jack Connolly, Ralph Struzzerio, Tony Amato, Jon Parker, Dennis Young, and Steve Freda.

Our championship baseball team owes all its success to the efforts of our great coach, Bill Johnson.

In the second game, Morwick won the game with a two-out double. Kelly pitched a one-hitter, taking Marshfield 3-1. Dick Anderson was the losing pitcher in the game with Cohasset (0-4), but Scituate came back to beat Bridgewater 3-1. Kelly pitched a four-hitter, took a five run rally in the sixth inning to clinch the win. Larry Rice had a home run and a single, and Paul Blanchard and Tony Amato had two singles.

Senior O'Brien struck out all men to win the game 6-3. Jack O'Brien accounted for the only home run in the game. Scituate won the game 8-1, with Sophomore pitching a two-hitter. Sophomore who has been hitting the long ball, Scituate took the next two games of the season by a 3-2, and walloping Hull. Morwick is the winning pitcher far this season.

Boys' Tennis

Under the able coaching of Mr. Larry Keenan, the boys' tennis team of 1960 had a very successful season. Suffering one loss to Hingham they were still able to win the Stonehill Championship. In a return match at Hingham they succeeded in defeating them, and therefore Scituate won the South Shore Championship. Thomas Baur was a runner up in the State Championship. Next year the entire team is returning so we can look forward to an even better season.

The tennis team of 1960 had a very successful season under the coaching of Mrs. Mary Baur. We were this year's champions completing their fifth straight year without a loss. Martha Hopkins and Kathy Walsh were the co-captains. Other senior members of the team were Sally Buckley and Sheila Kelley. The three top players, Livia Walsh, Sally Buckley, and Judy Doherty, are returning so future prospects are bright. Congratulations are given to the coach and to the team for a good job well done.

Track 1960

Although last year's season was not too successful, it was an impressive one. A good proportion of the team will be returning this year, so track this coming season should be really good.

Returning this year will be, of course, Pat O'Donnell, who is also a prominent cross-country runner. Probably he will run in the distance events such as the 440, 880, and mile. Among the dash runners are Pete Scott, who did very well last year in the 100, 220, and relay, and Joe Williams who runs almost anything. Joe was very impressive in his running last year, so he is expected to do extremely well this coming season.

Tim Riordan also, is a good runner and is expected to be very successful this year. Other prospects are George Story and Gorden "Butch" Logan. The youngest of last year's team was Derryl Riggins, who did very well in the 100 and the 220. He was also one of the four on the relay team which was a very good one.

Mr. Smith did very well in beginning track in Scituate as a major sport. This year Mr. Smith was unable to coach the Cross Country Team because of another coaching position so this year's Track coach is unknown.
